

PASSEIG DE LES ERÉS
DE SANTA LLUCIA

21-9-2018 *Julia*

A watercolor illustration of a tree, likely a laurel tree, with dense foliage. The leaves are rendered in various shades of green, from light lime to deep forest green, and some are brown, suggesting autumn or decay. The background is a mix of yellow and light green washes. The text is written in a reddish-brown ink at the bottom of the page.
